HALLOUMI FOODS

**HALLOUMI
FOODS**

Halloumi Foods Company, established in 2016, is a subsidiary of Al-Hazaa Investment Group and is specialized in the production of instant fried noodles.

Our Instant noodles are produced under the strictest hygienic standards using the most innovative solutions. At Halloumi Foods, we set ourselves the highest quality standards covering everything from raw materials and the noodle dough to packing our final product of the perfect noodles. With Al-Hazaa's experience in the food production sector that exceeds 70 years and the Swiss technology implemented at Halloumi Foods by Bühler AG, producing top quality products is a must and guaranteed at our factory.

Throughout generations, Al-Hazaa Investment Group has always invested in developing and modernizing the food industry in Jordan and the Middle East. Establishing Halloumi Food Company as the first instant noodles factory in Jordan was an implementation of our vision of keeping up with market requirements and demands.
